Appellate Case No. 2025-000791

Cameron M. Butler, Appellant,

v.

Kevin A. Shwedo, Director of the Department of Motor Vehicles, and
Marcia A. Adams, Director of the Department of Administration,
in their Individual and official capacities, and all others similarly situated, Respondents.

**RESPONDENTS’ JOINT MOTION FOR A SECOND EXTENSION OF TIME TO FILE
INITIAL BRIEFS OF RESPONDENTS AND DESIGNATIONS OF MATTER**

Pursuant to Rule 263, SCACR, Respondents Kevin A. Shwedo, Director of the Department of Motor Vehicles, and Marcia A. Adams, Director of the Department of Administration, by and through their undersigned counsel, respectfully request a 30-day extension of the October 8, 2025 deadline by which Respondents must file their Initial Briefs and Designations of Matter.

The basis for this request is that the first undersigned and his wife are expecting another child in the coming days, on September 29, 2025, and the undersigned will be out of the office with his family in the days following. Further, Respondents intend to coordinate their initial briefs—where possible—to streamline the issues and ensure judicial economy, which requires additional time and client input. With this extension, Respondents’ Initial Briefs and Designations of Matter would be due November 7, 2025. This is Respondents’ second request for an extension

of the deadline. Further, the undersigned reached out to opposing counsel, and Appellant does not object to this request.

Accordingly, for good cause shown, Respondents respectfully request that the Court stay the current deadline and grant this motion for a 30-day extension to file their Initial Briefs and Designations of Matter. Under Rule 240(d), SCACR, no filing fee is required here.

Respectfully submitted,
