Sept 18, 2025, Re: The Honorable Jenny Abbott Kitchings & Deputy. I receive your notice Sept 18, 2025. Yet in hope the court Justices grant Appellants appeal. Prayer to: Kingdom of Father God & Yashua Son at Their WILL blessings upon all related to TAKINGS subject matter.

1. Appellant / defendant re-affirms this case is based entirely on fact of Facially Unconstitutional act of **Takings** by excessive force of administrative law @ (Police action). State of SC agents in conspiracy with respondents @ extortion of office (Chevron Doctrine) & (**star chamber**) proceedings. Jurisdiction was denied in (2017) & continues that State of SC & Respondents fail to state any LAWFUL jurisdictional claim of Appellant's Common Law Constitutional property, rights.

2. Appellant affirms all filings to this court are of **FACT**, **For JURY** & **STANDS** with totality: **WANT OF FORM DOCTRINE**. Appellant has with MALADY followed Appeal rules beyond learn ability of the legal process. However all now existing as "a" deficient, is clerical in form imposed for burden upon Appellant. This appeal from onset @ common plea has been to defend respondents using the judicial of in this State of SC. Respondents should have had to file under **SCCROP** a suit upon Appellant for **claim** in a court of record. And, would have if having 12 (b) (6) JURISDICTION. They are without. The summary process respondents used (star chambers) a process of inferior courts & justices is absolutely in violation of Appellant's (of GOD grace) the truth In Common Law Constitutional Rights. Yet, the SC judiciary burdens Appellant in defending of these evil tyrants, respondents.

3. Appellant stands final with filings in this court. Grant of appeal is the most Godly & for all S.C & American People. My hope is Appeal is granted so proper State or Federal court actions can commence. Blessings on all case related: By Kingdom of Father God & Yashua Son. End.
