CASE #2025-000967

My name is Barney Wimberly,

I am writing this letter asking for mercy from the courts to please have my property signed back over to me.

This property has been a part of my whole life! From riding on the tractor with my Uncle Bubba (Robert Carter) planting fields to learning the land from my Papa (Mayer Carter) to then begin planting the fields myself.

I was able to purchase the property in 1990. This property was where I raised my 3 Girls. We had Birthday parties and Graduations. This property is the Homestead.

I worked over half of my life to pay for this property so I will have a home when the time came that I couldn't work anymore or were to retire. I'm currently in a position where I am unable to work due to my health and to be uprooted from the only place I call home would be devastating.

My brother passed away November 20, 2020 and before his passing Robert Wimberly (my brother) called me on August the 12, 2020 to wish me a happy birthday. He said he would be over on August 14, 2020 for the cookout I was hosting. I told him

that I would give him the remaining balance on the property. On August 14, 2020 when Robert came over I paid him the remaining balance and he

said let me write you a receipt (a copy has been attached to this document). He also ask me if it would be ok if we could sign the paperwork over the 1st of the year; That way it

would be the start of a new tax year, because Robert has other properties too. I told Robert no problem that would be fine with me. Sadly he didn't make it to see 50 years old, he passed away a couple months later on November 20, 2020. Here is another copy of the receipt. Thank you and God Bless.

Sincerely,

Barney Wimberly
