**RE: Rusty Young v. Confluence Outdoor, Inc.
Appellate Case No. 2025-001932**

Dear Sir or Madame:

As requested by my telephone conversation with staff on September 26, 2025, we are writing for clarification on the letter received on September 25, 2025 regarding an untimely filing of our request for the transcript of the lower court proceedings. After speaking with court staff on September 26, 2025, it is my understanding that since we filed our request for the transcript prior to receiving that letter, we are not outside of the timeline and do not need to respond further to this letter or file a motion to request the transcript outside the allotted time. If we can get confirmation that this is accurate and no further action is required by me at this time, I would greatly appreciate it.

Thank you for your assistance in this matter and I look forward to hearing from you.

Sincerely,

Richard Alexander
Attorney at Law
