Scott, 1220 上诉律師事務所

Hope that all is well with you. Just wanted to reach out to let you know that we've reviewed the information thoroughly. Currently, we are overloaded with Civil Rights cases. Unfortunately, we've had to shift our case criteria a bit. We are currently only handling the police brutality and police shooting civil rights cases that results in permanent injury or death. So, this would not be a case that we would be able to look at for the moment. However, you may try contacting the South Carolina Bar Association at 803-799-7100. We appreciate you thinking of our firm!

Thank you,

Dear Scott,

Thank you for contacting the Strom Law Firm regarding your potential case. We are sorry we are unable to assist you in this particular matter, but we truly appreciate your interest in our firm. I hope your experience with our support staff and attorneys was a positive one and we welcome any feedback or comments you care to provide. We have added you to our database and want you, your family and friends to consider contacting Strom Law Firm for all your future legal needs.

Please be advised that while no official attorney/client relationship has been established, any information you provided to us regarding your potential case remains confidential. You should also be aware that if you feel strongly about pursuing this matter, you should seek the advice of another attorney immediately, as you may be subject to a statute of limitations that will affect the amount of time you have to bring your claim. If you fail to bring your claim within this specific time period, you may be forever barred from doing so.

Again, thank you for contacting us and for your interest in our firm.

斯科特,

希望您一切安好。只是想告诉您,我们已经彻底审查了相关信息。目前,我们的民权案件数量过多。很遗憾,我们不得不稍微调整一下案件审理标准。我们目前只处理导致永久性伤害或死亡的警察暴力和警察枪击民权案件。因此,我们暂时无法处理此案。不过,您可以尝试联系南卡罗来纳州律师协会,电话:803-799-7100。感谢您考虑我们律所!

谢谢!
