

Dr, Clerk of court. Something has to be done about these people on this compound. They are still disrespecting the court + me. They are still refusing + denying me my right to the law library. I have informed them that I have a deadline. They still are disregarding. What I say. Please can some action be taken on these people asap to put a stop to this madness. I have informed Lt Lucas in this unit about my court date + she is playing these crack head games too. Please can you help me asap please before I get my family to go to the news about all that is being done to me on this compound. Nothing but cruel + harsh treatment + I got proof of it all. Kept a paper trail my hole life. Owe, the mailroom chicks are losing there mind. Please tell me why they just read my legal mail you sent me on the 26 of this month. You can't open then read my legal mail. Something has to be done about them too.

Thank You for all you have ^{done}.

PS. Not telling you this for more time.
I don't want no more time. ok
