

MEMORANDUM

TO: The Court
FROM: Diane Greene
DATE: 09/13/2013
RE: Holtzclaw, Jerry v. Waldrep, Dennis
Appellate Case No. 2012-207852

The notice of appeal was filed in February of 2012 . Appellant has had deficiencies on most every filing submitted.

Letter of April 26, 2013 states the Court accepts initial brief "in an effort to move this appeal along."

Record on Appeal filed with deficiencies July 17, 2013.

No proof of service.

Dismissal order sent to appellant.

Motion to reinstate filed without a proof of service August 6, 2013.

Deficiency letter sent.

Proof of service received August 16, 2013.

In error, I thought I sent deficiency letter to appellant for deficient Record on Appeal. I have prepared letter to send to appellant today.

Please advise for motion to reinstate appeal.

✓ Return to me after letter goes out.

Prepare order granting motion to reinstate appeal as follows:

This appeal was dismissed by order dated — due to a failure to file proof of service of the Record on Appeal. In his motion to reinstate, appellant asserts he made a scrivener's error in his proof of service and stated "Reply Brief" as opposed to "Record on Appeal." That error has now been corrected and the ~~ap~~ motion to reinstate is granted.

However, the appellant must correct the deficiencies in the Record on Appeal as stated in the Court's letter of September 13, 2013. Failure to correct these deficiencies will lead to ~~an~~ dismissal of the appeal.
