Re: Marvin Barborek v. Cascades Nursing, LLC
Appellate Case No. 2025-001290
Our File No. 07751.00225

Dear Ms. Kitchings:

In response to the Court's correspondence dated October 8, 2025, please be advised that my office received a copy of the lower court's transcript on October 6, 2025. By my calculation, that would make the Appellant's Initial Brief and Designation of Matter due on or before November 5, 2025.

However, I am hereby requesting a 30-day extension for filing and serving the Appellant's Initial Brief and Designation of Matter. If granted, this extension would create a new deadline of December 5, 2025. This is the first extension request for those submissions, and the attorneys for the Respondent have graciously consented to the request. My office is mailing a check for the motion filing fee to the Court.

If you need any additional information regarding the lower court transcript or the extension request, please do not hesitate to contact me.
