

The South Carolina Court of Appeals

Serge R. Wandji, Appellant,

v.

The Regional Medical Center, Respondent.

Appellate Case No. 2025-000108

ORDER

On August 11, 2025, Appellant filed the record on appeal in two volumes. On August 21, Respondent moved to strike the record on appeal and hold the time to file its final brief in abeyance pending the outcome of the motion. Appellant filed a return, largely opposing the motion to strike, and Respondent filed a reply. After careful consideration, we grant Respondent's motion to modify the record on appeal and strike record on appeal filed on August 11, 2025. Within twenty days of the date of this order, Appellant shall serve and file a supplemental record on appeal that includes: (1) the circuit court's order granting defendant's motion for partial dismissal, filed on June 22, 2023; and (2) defendant's memo in support of summary judgment with legible exhibits, organized in the same order in which they were filed, with all pages. Failure to comply will result in the dismissal of the appeal.
