Pro Se Appellant

The Intervenor/Appellant Cheryl O. Lane (“Appellant”) hereby submits her Motion for Abeyance in accordance with Rule 240 of the South Carolina Appellate Court Rules (SCACR) as a pro se litigant before the South Carolina Supreme Court. She wishes for this abeyance or pause to be granted in order for a final decision to be made in her Freedom of Information Act (FOIA) case in which she is currently the Plaintiff in Lane v. Williamsburg County (Third Judicial Circuit- Court of Common Pleas # 2025-45-00074).

Primarily, the clarification of issues surrounding the Special Source Revenue Credit (SSRC) agreement, which is a main document of this FOIA case, needs to be resolved before these SC Supreme Court proceedings continue. This SSRC financial agreement is a document that involves the 249 MWac utility scale solar project located in Williamsburg County, SC, of this appeals case.

All FOIA records requested by Cheryl O. Lane have not been fully provided and need full disclosure by Williamsburg County. These records to be provided by Williamsburg County could materially affect the Intervenor/Appellant’s development and accuracy of the briefs and arguments to be presented to this Court.

. Furthermore, the Intervenor/Appellant, Cheryl O. Lane, respectfully offers to provide status updates to the Court every thirty (30) days and promptly notify the Court upon resolution of the FOIA proceedings.

Respectfully submitted,

s/ Cheryl O. Lane
