Re: Appeals Case No. 2025-000288
Walter Buchanan v. South Carolina Department of Environmental
Services and Silfab Solar

Dear Mrs. Harrison :

All counsel has now reviewed the Record on Appeal in the above matter filed with the court September 26, 2025 and served same date electronically. After review, there were clerical errors, and need for removal of duplicates, which have now been resolved by review of the parties' respective counsel. We are asking to replace the Record with the Amended Record on Appeal. By copy to all counsel I am advising I have spoke with the clerk's offices this morning and the court has requested I advise all counsel to reply by email to your offices approving same.

Respectfully,

s./ J.Cameron Halford
