To Whom it May Concern:

Mr. Halford informed us last week and in his letter to the Court, attached, that Respondents' counsel has been requested to reply by email to letter approving the request to replace the Record on Appeal that was filed on September 26, 2025. It is our understanding that this email reply is to avoid the need for Appellant filing a Motion to Amend the Record on Appeal. If that is the case, counsel for Silfab Solar approves of the filing of the Amended Record on Appeal.

If this email was not supposed to be submitted to the recipients or if it was done in error, my apologies in advance.

Thank you,

John
