I have a very important hearing at this court house on Nov 4, 2025. I really want to be present isnt there some type of Judges transportation order I can apply for? I need a print out on every thing that is being said at this hearing coming up. My Fourth and sixth Admendment right was totally violated when I went to trial In Edge Field General Sessions. How can I attend this hearing Thank You?

3.

The court erred by admitting the cell phone mapping testimony of FBI Agent Matthew Wilde, after initially granting the motion to suppress it, where the state disclosed the maps after five o'clock on the Friday afternoon before the murder trial was starting on Monday morning since the defense could not hire its own expert, which was essential to challenge the validity of this highly prejudicial technical mapping evidence at trial, which was in contravention of appellant's right to fundamental fairness.....26
