Motion to
Dismiss

Supreme Court of South Carolina

Defendant (Terrell Herbert) files this Motion to dismiss case # 2023A2110100654 after this case has been pending since November 9th 2023 with no progress. The alleged victim in this case has failed to show up to 3 court hearings, and has denied any involvement with this charge of 2nd Degree Harassment. Another hearing was recently held for this case on 9-22-25 at 9am which was also cancelled. I have been in contact with the court and was told they don't know when a new date will be given for this case.

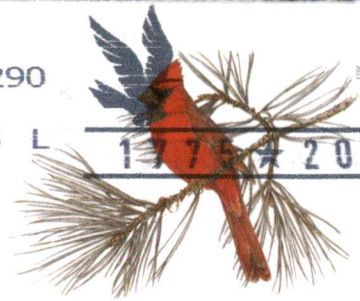

I have also filed several motions with the court and have not been scheduled a date for those motions either. For those reasons and the length of Delay from this case of almost 2 years The Supreme Court of South Carolina (Must Dismiss This Case) with Finality. Respectfully #God Bless
