RE: Nathanael Whitwood v. The State of South Carolina, Town of Due West
Appellate Case No. 2024-001319

Dear Ms. Kitchings:

Please accept this letter in lieu of a formal return to Appellant's request for a fourth extension of time to file the Record on Appeal in the above referenced appeal pending before this Court. In keeping with my standard practice, I am not making an objection to the request, particularly because Mr. Whitwood is appearing *pro se*. That being said, I wanted to remind the Court that, along with the service of the Initial Brief of Respondent and Designation of Matter, the State provided Mr. Whitwood with copies of all matter the State designated for inclusion in the Record on Appeal (ROA) in an effort to facilitate his preparation of that ROA. I believe this included the material he is now continuing to request from the Due West Clerk's Office.

Please let me know if I can provide any additional information.

Sincerely,

J. Benjamin Aplin
