Re: The State v. Tavario D. Brunson
Appellate Case No. 2012-211593
January 2014 Tentative Calendar

Dear Mr. Shearouse:

I am in receipt of the November 5, 2013 letter concerning potential argument dates in the *Brunson* direct appeal. Please be advised that I have a current court conflict on January 7 and January 8, 2014 with the previously scheduled death penalty post-conviction relief hearing in Anthony Woods v. State before Judge James beginning January 4, 2014.

If further information is necessary, please advise me.

Sincerely,

Donald J. Zelenka
Senior Assistant Deputy Attorney General
