Re: Stephanie Pressley vs. Ridgeway Manor Healthcare Center, LLC  
Appellate Case No. 2025-000930

Dear Ms. Babcock, Ms. Kitchings, and the Court of Appeals:

I am writing to respectfully explain the circumstances surrounding our delayed response to the email containing the quote for the transcript in the above-referenced matter.

We will prepare a more formal response, but the email quote from Ms. Velvet Mills likely went into my "Other" email folder, and I did not see it, which apparently has happened to others in the past. Please see attached correspondence with Ms. Mills from today regarding this matter (Exhibit 1).

In addition, the email was sent one day after my mother passed away in Zimbabwe. During that time, I was in mourning and in the middle of arranging a two-day flight to Zimbabwe to attend her funeral. Please see attached correspondence and photographs related to this (Exhibits 2, 3, and 4).

In light of these circumstances, we respectfully request that the Response in Opposition to Appellant's Motion to Reinstate be withdrawn and/or denied.

We apologize for any inconvenience this may have caused and appreciate the Court's understanding. Please let us know if any further information is required. All counsel of record

have been copied on this correspondence.

Thank you for your time and consideration.

Best regards,

GORDON REES SCULLY  
MANSUKHANI, LLP

I don't think we ever received a response. I will double check, but I know we were waiting and represented as much to the Court of Appeals.

Thank you again. I went through my emails and didn't find it until you sent the attachment, then I searched by your name, and it came up. I wish we had known sooner/or the court had told us - we kept asking for the same transcript and could not figure out what we were doing wrong. Thank you again for the quick response and clarification. Have a great weekend.

Could you please let us know who the email was sent to/the email address used to provide the quote? We have had some employee changes, and are trying to see where the email may have landed.

Thanks.
