Hello Ms. Emily

I have been trying to get to the court house to give you the final order and transcript from Probate Court floppy disc. I have been having a lot of unusual and odd flat tires problem. I was sitting in the rest area for 5 hours had to call a tow truck as I was leaving I had two flat tires on the left side. I was towed to the a tire shop for two day because the tire on this truck is a trailer tire and it's hard to find. Than again yesterday. I am in Georgetown, waiting for a tire from Orangeburg. I was on my way yesterday to Columbus, I had another flat tire. I had to call a tow truck again yesterday. I was hoping that I can bring the third transcript from the Probate office and the final order from the Judge Rode tomorrow. I had to wait four days for the transcript. Monday when supposed to pick it up then I get a another flat tire. Delayed

Let me know if that's not acceptable. You gave me 10 days already.
