Mr. Anderson,

Thank you for your message. Yes, I am preparing to file a Motion to Supplement the Record on Appeal under Rule 210(h), SCACR, to include the Amended Affidavit of Tina Guerry (file-stamped September 24, 2024) and the April 8, 2024 letter from the Register of Deeds that accompanied that affidavit. Those materials were referenced in Judge McCaslin's January 17, 2025 order and were omitted from the compiled record by oversight.

I appreciate your willingness to consent, and I would welcome your consent to the motion. I will file the motion and proposed supplemental record promptly and provide you with a courtesy copy once it is submitted through the appellate e-filing portal.

Thank you again for your cooperation, and please feel free to note in your brief that the supplemental record is being filed this week.

Best regards,

Mr. Nunally,

Are you going to file an amended record on appeal with the amended affidavit from Tina Guerry that includes the denial from the ROD in regard to recording your document? I cannot file my final brief without being able to cite in the record the amended affidavit and the final brief is due Monday. I will consent to an extension to file an amended record on appeal if that will help.

Please let me know.

I see an index of the pages for the record on appeal but the pages are not numbered as required in Rule 210.
