Bernard Bagley, #175851.....**APPELLANT,**

v.

Palmetto Richland Hospital Prisma Health, John Doe, Surgeon, and South Carolina Department
of Corrections Division of Health Services, Defendants,

of which Palmetto Richland Hospital Prisma Health is the.....**RESPONDENT.**

MOTION FOR EXTENSION OF TIME

The Initial Brief of Respondent Prisma Health and Designation of Matter to be Included in the Record on Appeal were originally due to this Court on October 23, 2025. Respondent respectfully requests the Court grant a 30-day extension of time until Monday, November 24, 2025, to serve and file its Initial Brief and Designation of Matter.

The undersigned counsel requests this extension due to current workload which included preparing a matter that was scheduled for trial starting on October 20, 2025 as well as other related litigation activities and filings. Counsel for Respondent has not attempted to confer with Appellant due to the time constraints involved with mailing such a request and receiving a response before

the current deadline. This is Respondent's first request for an extension of time to file the Initial Respondent's Brief and Designations.

Accordingly, Respondent Prisma Health respectfully requests a 30-day extension of time in which to serve and file its Initial Brief and Designation of Matter to be Included in the Record on Appeal.

Respectfully submitted,
