

# The South Carolina Court of Appeals

Serge R. Wandji, Appellant,

v.

The Regional Medical Center, Respondent.

Appellate Case No. 2025-000108

---

## ORDER

---

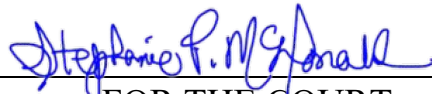

On August 11, 2025, Appellant filed the record on appeal in two volumes.

On August 21, Respondent moved to strike the record on appeal and to hold the time for filing its final brief in abeyance pending the outcome of the motion. Appellant filed a return, largely opposing the motion to strike, and Respondent filed a reply. After careful consideration, we granted Respondent's motion on October 10, 2025.

We take this opportunity to clarify that the August 11, 2025 record on appeal is not struck and that Respondent's motion was granted in part. Appellant shall, within twenty days of the date of this order, serve and **file a supplemental record on appeal that includes:**

- (1) the circuit court's order (filed on June 22, 2023) granting defendant's motion for partial dismissal; and
- (2) defendant's memo in support of summary judgment with all legible exhibits, organized in the same order in which they were filed and including all pages.

Failure to comply will result in the dismissal of the appeal. Respondent's final brief is due within twenty days of service of the record on appeal.
