Hello Ms. Emily Heid

I am requesting an extension to be able to submit the third transcript from Probate Court in a timely manner.

I have also received your email of the flash drive being returned. When I pick up the flash drive, I question the format of this flash drive, asking if this is acceptable for the Appeals Court.

I would like to still file the contents and replace it on a disc. I have contacted the Probate Court this morning to inquire about a form disc. Ms. Carol said she will ask her "IT guy" to replace it on a form disc as the policy requirement of the Appeals Court.

Thank you

Manerva Walker
