**MOTION FOR EXTENSION OF TIME FOR APPELLANT TO SERVE AND FILE
INITIAL BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED
IN THE RECORD ON APPEAL**

Pursuant to Rule 240 SCACR, Appellant Robert Errato (“Errato”) requests an extension of time within which to file his initial brief and the designation of matter to be included in the record on appeal. This is the first request by Errato filed in this matter.

Errato has requested a copy of a transcript in this case. Although the transcript does not involve the hearing for the motion that is the subject of this appeal, Errato has learned that there is important information that is located within the transcript that will be used for the writing of this brief. Therefore, Errato requests an extension of thirty (30) days to file the brief from the date he receives a transcript. Whenever this transcript is

received, Errato will inform the Court, which will begin the date by which his brief will be due to the court.

A thirty (30) day delay will not prejudice the rights of any party, especially considering the information located within the transcript is necessary for Errato to prepare the brief in this matter. Errato has notified counsel for Respondents, who does object to the granting of this motion.

For the foregoing reasons, Robert Errato requests an extension of time to file his initial brief and designation of matter until thirty (30) days after the transcript is received. Good cause exists for the granting of this motion.
