To whom it may concern;

Regarding case #2025001237, plaintiff Victoria Joy Stevens requests recusal of the Honorable Kristie Curtis from presiding over this matter. This request is due to Constitutional Violations, as well as Ex-parte communications within case #2023CP2600105. I have been so swamped with therapies, financial obligations, and responsibilities I had overlooked this need. I ask for your understanding as I m not an attorney, proceeding Pro se, and forgot to attend to this crucial matter. I remain,

Yours truly,
