911 Tape TranscriptionThursday Feb 5 2009 22:54

Operator: 911, what's your emergency?

Caller (female): Hey, um I work for Pop's Pizza. One of my delivery guys just had a delivery to a house, and he got held at gunpoint.

Operator: He got held at gunpoint? Where is he at now?

Caller: He is right here in front of me (mumbled) let him go, but I'm gonna give you the address for completion or whatever it is...

Operator: Ok, but did they come to the door and held him at gunpoint, or did the people walk up on him?

Caller: Um, he says that um, walk outside thank you (talking to someone else). He says that he walked to the door, there were no lights on, an um someone came out of the side, held him at gunpoint and robbed him.

Operator: Came from out of the side of the house, or...?

Caller: Came from the side of the house, correct.

Operator: Yes. What was the address?

Caller: What was the address? 427 Maple Street. Fourteen twenty seven Maple Street.

Operator: And what's the address where you're at?

Caller: 707 Harden Street.

Operator: And what's the name of the business?

Caller: Pop's Pizza.

Operator: Pop's?

Caller: Yes ma'am, Pop's New York Pizza.

Operator: Ok, ask him were the males white, black or Hispanic?

Caller: (to victim) White, black, or Hispanic? Black.

115 # 3

Operator: How many was it?

Caller: (to victim) How many? One.

Operator: And... what race did he say they were again?

Caller: (to victim) You said black? They were black.

Operator: Ok, stay on the phone with me for a moment.

Caller: (to victim) What were they wearing?

Operator: And he said they had a gun?

Caller: Mmmhmm. (To victim) You know what kind of gun it was by any chance?
(Victim heard saying "Small, maybe a 22") He said small, maybe a 22.

Operator: Ok, hold one moment.

Caller: (to victim) What color was the hoodie?

Victim: Black.

Caller: Black hoodie.

Operator: Ok, hold one moment.

Victim: (mumbled – "wait, wait wait... I think it did have the little face...")

Operator: And that was 1427 Maple Street where the incident took place?

Caller: Yes ma'am.

(Time quote interposed - Thursday Feb. 5 2009, the time 22:56)

Caller: (to victim) You ok?

Victim: (inaudible – "I've been held at gunpoint before, but...")

Operator: Tell him to give me a description of the man, what color shirt, jacket and pants he had on?

Caller: He said he was wearing a black hoodie, had some kind of writing on the front, he couldn't really tell, because you know, he's held at gunpoint. He had jeans on.

Victim: I think that uh, they were black, whatever...pants.

II's #3

Caller: Black pants, what color were the shoes? Weren't looking at the shoes. Yeah, but how high, how tall was he?

Victim: Taller than me by about like, couple inches.

Caller: How tall are you?

Victim: Six feet.

Caller: So he was at least 6'2? 6'3?

Victim: And he started...

Operator: Did he have a mask or anything over his face, anything covering his face?

Caller: (to victim) Did he have a mask or anything over his face?

Victim: No.

Caller: No.

Operator: About how... give me a time frame, did this happen about 5 to 10 minutes ago? Ten to fifteen?

Caller: Ten or fifteen minutes ago, probably ten minutes ago? (To victim) How long?

Victim: Probably ten.

Caller: Ten to fifteen minutes ago.

Operator: Did he get any money off of him?

Caller: How much did he get off of you?

Victim: Thirty.

Caller: Thirty dollars.

Victim: Well, no... thirty plus the money... thirty seven.

Caller: Thirty seven.

Operator: Ok... and what is um, his name?

Caller: His name is Frank League.

TT's #3

Operator: Frank Lead?

Caller: League. L-E-A-G-U-E.

Victim: Oh my God.

Operator: Ok, what's the call back number y'all are calling from?

Caller: Um...oh! I just got a new phone number. Um. 803- hold on. (Pause) Um... uh, my number is 803- shoot. I just had to change my phone number, I've been getting harassment calls all night... 451-****.

Operator: Ok. I have a deputy going.... I have officers going out to the location where it happened at and also coming out there to him to make a report, so if he could just stay there. Ask him after the male took the money from him where did he go.

Caller: I think, I believe he came straight here but I had to run back inside to get...

Operator: Oh, no – could you ask him where the male that robbed him went, which direction he went in?

Caller: Oh, which direction he ran in, ok. (To victim) Hey. Did the guy come from the right or the left side of the house and which way did he run?

Victim: Uhhh if you're standing like you were at the front of the house, he came from the right.

Caller: He came from the right and then ran in which direction?

Victim: Behind me. I turned on like, the house is right on the corner, I turned on the left, he went to the back.

Caller: You tell her.

Victim: Yeah, on Maple. At 427, like 427, 1427 is right on a corner and I turned off of Maple directly left. Right to the corner. And uh, he started walking back.

Operator: Walking back towards the house?

Victim: No. Walking back behind me... on the street.

Operator: So, he left right...so you walked towards Maple, making a left, he walked behind you?

Victim: Yeah.

7/15 #3

Operator: Ok, you didn't see where he went after that? What direction he went after that?

Victim: He looked.. he just uh, started goin straight back. I don't know how far it goes.

Operator: He started going where, sir?

Victim: Just straight behind me. Like directly behind me on the road.

Operator: Ok, but once... so you didn't see which direction he left into cause he was following behind you.

Victim: He went reverse. He went the opposite way I went. So whatever the corner street is, off of Maple that 1427 is on, he went directly behind me. Like... the opposite direction.

Operator: Ok. You said the male came from the side of the house, right?

Victim: Yes.

Operator: Ok, was anybody there home at the residence that you were delivering to?

Victim: Nah. I didn't really even get to knock on the door yet. I just walked up, like looked at the windows (random person talking, victim responding). Ok the police are with me right now.

Operator: Ok I'm going to let you go speak with them.

Victim: Alright, thanks bye.

DOLLY GARFIELD

From: Rhodes Bailey
Sent: Wednesday, May 06, 2009 9:50 AM
To: DOLLY GARFIELD
Subject: Thomas Brooks records question

Thomas Brooks had been with a fight with a Terrance Thompson on 2/5/09 and says this is where he was instead of robbing the pizza man. McNeily, our investigator has tried to get EMS info from Ms. Thomas as EMS (576-3425) so we could get the exact time Thompson was picked up by EMS for timeline purposes, but they won't give us the records without Thompson's consent.

I'm sure we can get that stuff when we get closer to trial, but I was hoping we might be able to do something to get the EMS time(s) earlier (without subpoenas, etc.). I'm thinking this would probably be something you and I both would want, was hoping you could help me.

Thanks,
Rhodes

P.S., when do we need to start fundraising for your solicitor campaign?

ORDER TO PRESERVE 911 TAPE

Thomas R. Brooks

Defendant.

This matter comes before me on motion of J. Rhodes Bailey, counsel for the above-named Defendant. It appears and I so find:

1. The Defendant was arrested on February 6, 2009 and charged with Armed Robbery.

2. On February 12, 2009, Defendant filed and served a Motion for Discovery and Disclosure of Evidence. As of this date, the discovery provided to the Defendant by the State has not included any record of 911 calls relating to his arrest.

5. The Central Dispatch policy is to preserve 911 tapes for 3 months. May 6, 2009 will be 3 months from the incident date.

6. Defendant requests that all tape recordings of 911 calls made on or around February 6, 2009 in reference to incidents that led to this arrest be preserved for evidentiary purposes. I find that the 911 tape is material and necessary to the Defense in this case.

NOW, THEREFORE, IT IS HERBY ORDERED that the 911 tapes regarding the arrest of Thomas R. Brooks by the Richland County Sheriff's Department and all 911 calls made in reference to the aforementioned case on February 6, 2009 be preserved and placed into evidence.

Rule 45, South Carolina Rules of Civil Procedure, Parts (c) and (d):

(c) Protection of Persons Subject to Subpoenas.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2)(A) A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial. A party or an attorney responsible for the issuance and service of a subpoena for production of books, papers and documents without a deposition shall provide to another party copies of documents so produced upon written request. The party requesting copies shall pay the reasonable costs of reproduction.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena, or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time in the court that issued the subpoena for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3)(A) On timely motion, the court by which a subpoena was issued, or regarding a subpoena commanding appearance at a deposition, or production or inspection directed to a non-party, the court in the county where the non-party resides, is employed or regularly transacts business in person, shall quash or modify the subpoena if it:

- (i) fails to allow reasonable time for compliance; or
- (ii) requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to travel more than 50 miles from the county where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c)(3)(B)(iii) of this rule, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held; or
- (iii) requires disclosure of privileged or otherwise protected matter and no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) If a subpoena:

- (i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
- (ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
- (iii) requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to incur substantial expense to travel from the county where that person resides, is employed or regularly transacts business in person, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

(d) Duties in Responding to Subpoena.

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.
