To the Honorable Clerk and Court Officials,

This correspondence serves as a formal case update pursuant to your prior instructions to provide notification within ten (10) days of any post court hearings.

I am writing to provide a formal update in relation to Case No. 2025-002087, which is currently pending before the South Carolina Court of Appeals.

As of 11:00am October 22, 2025, the Circuit Court issued a notice setting a Bond Reconsideration Hearing for November 17, 2025. However, it is important to note that the Temporary Restraining Order I filed on October 20, 2025—which involves ongoing irreparable harm and was accompanied by a Motion to Expedite—was improperly grouped into that same hearing event.

To address the procedural concerns and ensure clarity in the appellate record, I have taken the following actions at the Circuit Court level:

On October 22, 2025, I filed:

A Judicial Notice of Statutory Classification

A Judicial Notice and Request for Administrative Review & Reassignment to the Hon. Chief Administrative Judge of the Seventh Judicial Circuit

On October 23, 2025, I filed a Notice of Intent to Seek Writ of Mandamus based on judicial inaction and statutory misapplication regarding the injunctive relief and improper procedural handling of pending motions

This correspondence is submitted for the Court of Appeals' awareness as these filings and rulings materially impact the status and handling of the appeal now before you.

Please feel free to contact me should any additional information be required.

Respectfully submitted,

--
