Djuan Holland Debtor

Case No. 2502262eg

Vs

Moorland BTR, LLC d/b/a

Moorland Reserve Apartments

### Objection to Chapter 7 not being Discharged

I Djuan Holland am objecting to Morgan R Dunn petition to my Chapter 7 not being discharged. On page 2 under Background and Factual Allegations #7) I've always tried to address the discrepancies in the ledger to the Magistrate, Court of Common Pleas, Trustee, Judge Gasparini, no one ever wants to address the issue. #8) Chapter 13 case wasn't dismissed per my request after asking the court to convert my Chapter 13 over to a Chapter 7 and if it couldn't be done and had to be dismissed could it be dismissed without Prejudice so I could file Chapter 7 and the court Granted my request so I filed Chapter 7 , Morgan R Dunn is aware of that reason it was also brought up in the Creditor Meeting , see attached request sent to court about this request.

### Concealment or Transfer of Property

#13) Creditor Meeting when the question was asked about if I had any vehicles in my name I was being truthful and explained the situation about the vehicles, I put the vehicles in my name for my son because it was cheaper for insurance reason and wouldn't have to pay for out of state taxes and transfer, when the trustee asked about who paid the insurance I told her that my son paid for everything I don't have anything to do with those vehicles nor were they even in the state of south Carolina, the trustee, and Judge understood , I don't

understand why Morgan R Dunn doesn't understand . I don't have to allege anything I said, and it is the truth.

False Oath or Account Page 3

17) Is false

18) I sent over the 3 mos. of bank statements to the trustee; I also amended my creditors and bank accounts. See the attached update sent to the court.

20) I did file Appeal with the Appeal Court, which is my right to do so. It's also my right by Law to file on anything that I don't agree with, and Morgan R Dunn should already know this being a Lawyer. Morgan R Dunn has made statements on court filings about me which was false under her oath, and I have sent her emails pertaining to it, and at one point I contacted the Bar Association about her because of her lies and had the proof to back it up.

I Djuan Holland is asking the court for a Discharge of my Chapter 7. The other creditors didn't object to my discharge.
