Hello Tammy

Will you be using the original recorded audio?

I ask that because according to Bobbi Fisher

She said that's were it started

I will forward her email to you

So if this is what Bobbi is saying in her email the (1 2 3) steps of the

June 18 2025 virtual transcript

My question is, did Bobbi ever get to hear the original Audio recording?

Or was she just given the Intertretation in written down method?

We believe this were the Alteration happened internally within Dorchester County

We just would like to find out what happened to what everyone really said during that virtual hearing on June 18 2025

Again, I will forward the email when I asked her how the process worked

Thanks again

Attia and Lynne
