Good morning,

I would like to explain that yesterday I sent the motion below requesting a 30-day extension of time to submit the brief, as well as the designation of matter, since I am still weakened and recovering from health issues, and facing the complex task of challenging on appeal the refusal of the trial Court to rule on two motions regarding fraud upon the Court by the opposing party.

Respectfully,

Cynthia Veronese

Good morning,

I just sent via UPS, tracking number 1Z2R3F650300036705, the attached motion for an extension of time with proof of service on the attorney for the respondents for the above case. In the envelope, you will also find two money orders in the amount of \$25 each (copies attached).

Thanks,

Cynthia
