Good Afternoon,

Attached for filing is a motion for a second extension of time within which to serve and file the Return to Petition for Writ of Certiorari in the Marcus Wright v. State (Appellate Case # 2025-001691) appeal along with a motion asking for that extension request motion to be accepted one day out of time. I am serving appellate counsel for the petitioner with these combined motions by copying him on this message. I sincerely apologize for any inconvenience this out-of-time request has caused to the Court and to the petitioner, and I do not believe the request will result in any prejudice to the petitioner should it be granted. Thank you very much, and, if you have any questions or need any additional information, please just let me know.

Sincerely,
Mark
