**MOTION TO ALLOW THE RECEIVER TO EXCEED PAGE LIMIT IN RETURN TO
PETITIONS FOR WRIT OF PROHIBITION AND WRIT OF CERTIORARI**

Pursuant to Rule 240 of the South Carolina Rules of Appellate Procedure, Respondent Cape PLC, individually and as successor in interest to Cape Asbestos Company Limited, by and through its duly appointed Receiver Peter D. Protopapas (“the Receiver”), respectfully moves for

this Court to exceed any page limit requirement for his Return to the Petitions for Writ of Prohibition and Writ of Certiorari. In the interest of judicial economy, the Receiver has filed an omnibus return to the two Petitions for Writ of Prohibition and Writ of Certiorari because the Petitions overlap and raise similar issues. It is unclear whether the twenty-five-page limit in Rule 242(f), SCACR, applies to an original jurisdiction return governed by Rule 245(b), SCACR.¹ Because the Receiver has attempted to address the issues raised in the two petitions in one return (as opposed to two separate returns), his omnibus return exceeds twenty-five pages. Out of an abundance of caution, the Receiver files this motion and requests the Court consider his full Return to the extent the twenty-five-page limit applies to Rule 245(b).
