Defendant's Motion to Reconsider was filed with this Court on October 6, 2025. After careful consideration of the filings of counsel, the Court is unable to discover any material fact or principle of law that has either been overlooked or disregarded, and further finds no error of law or fact not appropriately considered. Therefore, Defendant's Motion is DENIED. However, the Court will clarify the language contained in its Order dated September 26, 2025.

In the Order, the Court used the term "reset." This term was meant to reflect the Court's intent to allow Defendants to refile their Motion to Compel Arbitration at the conclusion of limited jurisdictional discovery for a hearing on the merits.

It is so Ordered.
