

The South Carolina Court of Appeals

George Gallo, Appellant,

v.

Autumnwood Crossing LP and Intermark Management Corporation, Respondents.

Appellate Case No. 2025-000757

ORDER

On July 14, 2025, Appellant filed his designation of matter to be included in the record on appeal. On September 12, 2025, Respondents filed a motion to strike certain parts of Appellant's designation of matter and for an order instructing Appellant to file and serve an amended initial brief removing any reference or citation to any documents struck from the designation of matter. Respondents also moved to stay the briefing deadlines until such time as Respondents' motion was ruled upon. After careful consideration, we deny Respondents' September 12, 2025 motion. Within fifteen days of the date of this order, Respondents must file and serve their initial brief.
