

It's been about four weeks now Lt Lucas & admin is refusing to let me go to the law library to prepare for the up coming court date. I have reached out for help & nothing is being done. This is a 1983 lawsuit all day long. This is unfair & breaking federal laws. Lt Lucas and other staff members are being spiteful cause I be reporting what they got going on with me. This issue isn't going away. I'm locked up illegally & will never stop with all of this crap they are doing. The next step is the news. Can't take it anymore.
