Here come another week I'm being denied the law library. It's getting so bad to the point they are refusing to let me go too the mailroom to mail off my legal mail. I keep asking Lt Lucas in this unit to go too the mailroom for legal mail & that chick is flat out refusing to let me go when she is letting other people go. They are going to the mailroom & law library. Something has to be done asap. My deadline is so close.
