Yes, will type the testimony that isn't typed, and add in what is already typed to make one transcript. You do not have to send the part of the transcript already finished back to me. I have other transcripts to get out first. But will be in touch. Thank you.

I was wondering Ms. Rowe if it would too much of an inconvenience for you to deliver the complete transcript. For this I would mail back to you the last seven (7) pages (partial transcript) that you sent me earlier. I believe that this would be less confusing to the courts and everyone else. Let me know your thoughts. Kind regards, Alexander Pastene.

All right, Ms. Rowe, \$35 for the seven pages.

Whereas, I am ordering the first seven (7) pages insomuch that I already ordered and received the rest to complete the transcript. My Notice of Appeal was filed and clocked September 20, 2013, so, I am ordering the transcript within the ten (10) days from that day to comply with the SCRCP or SCARC. The Court Recorder has sixty (60) days to deliver the transcript. Thank you, Alexander Pastene.
