RE: *Ansel Jamhal Postell v. Campus Advantage, Inc. and EMRES II*  
*South Carolina, LLC d/b/a The Rowan*  
Appellate Case No.: 2025-001220

Dear Court Administration,

Please allow this letter to serve as a response to the Court's correspondence on November 7, 2025. On June 27, 2025, we requested copies of two transcripts from the South Carolina Office of Court Administration for the appeal in the above-referenced matter and notified the Court of our requests on June 30, 2025. In our letter to the Court dated August 29, 2025, we reported that we had not received a copy of either transcript requested as of that date (letter attached).

On November 10, 2025, the undersigned learned that Legal Eagle previously emailed a quote for the transcript to her former paralegal on September 4, 2025. Unfortunately, that paralegal was no longer employed with the firm at the time, so the undersigned was unaware of the quote and any hurdles to completing the transcript request.

In any event, my office has been in contact with the court reporter in the last week, and it is my understanding that the transcript preparation is underway. Appellants will notify the Court as soon as the transcript is received.

Please let us know if you require any additional information.

Best regards,

Sarah C. Frierson
