This email is a (FOIA) freedom of information act in the respondents brief they submit a SC statute of law. SC code ann 42-1-360 and it's very clear to myself that it ambiguity and ambiguous because it states that the cases are describe as casual employees my request is are they are implying that I was a casual independent contractor truck driver of Evans delivery can you please verify this understand as I'm not perceiving the understanding of the only one case mentioned there table of authorities that depicts my case and that Wilkerson versus palmetto transportation which as I'm under federal regulation are the other cases have same rules also just needing clarification for my reply brief.
