Re: PennyMac Loan Services, LLC v Kitre Pugh

Appellate Case No. 2025-001567

**RECEIVED**  
NOV 17 2025  
SC Court of Appeals

## Motion For Extension Of Time

### **Introduction**

COMES NOW Appellant Kitre Pugh (hereinafter "Appellant") pursuant to Rule 207 (a) (1) SCACR, and moves this Court for an extension of time in which to file a request for transcript. The Plaintiff requests an extension of 10 days, through [November 26, 2025], to adequately prepare an agreed statement since no official transcript exists. In support, the Appellant states that a request for any audio and/or video recording has been requested:

### **Argument**

1. The Appellant requires additional time to gather evidence and fully understand the complexities of the agreed statement involved in this matter as well as time for opposition to sign
2. This case involves significant legal issues that warrant thorough consideration which requires more time than currently available.
3. Granting this extension will allow the Plaintiff adequate time to respond effectively without prejudice to the opposition
4. This request is made in good faith and is not intended for purposes of delay.

## Demand

WHEREFORE, the Appellant respectfully requests that this Honorable Court grant an extension of 10 days to file their fully executed agreed statement or to request a settled statement if opposition fails to sign.
