Dear, Honorable Clerk of Court

Attn: Shareuse. No # 2012-213313

S.C. SUPREME COURT

I am in receipt of the order granting me to proceed pro-se, and instructing the appellate division to provide copies, and the necessary documentation.

Petitioner has briefed all issues to be presented to this court to include all direct appeal issues. Petitioner is requesting the complete trial transcript so that all issues for direct appeal may be presented in petitioner's brief to this court. Petitioner has pointed out documents and pleadings that have been omitted and or misrepresented by the appellate division in his appendix, and has ask that it be corrected.

At this time petitioner is only waiting for those corrections in the appendix, and the complete trial transcript with jury notes and he will be ready to file. Without said complete trial record petitioner will be hindered from bringing all direct appeal issues before this court. The record clearly reflects that petitioner did not knowingly or intelligently waive his right to a belated appeal.

Once the appellate division provide copies of corrections to the appendix, and complete trial transcript, petitioner will be ready to file within 40 days.

Sincerely
Warren Russell ©
