RE: Thomas Bradley Davis v. Robert Bosch Corporation LLC and The Phoenix  
Insurance Company  
Appellate Case No: 2013-0001675

Dear Ms. Kitchings:

I had previously requested and was granted an extension of time to file the appellant's initial brief and designation of matter to be included in the record on appeal. Those materials are currently due on November 23. I hate to make this request but I am once again requesting a thirty day extension of time to file and serve the appellant's initial brief and designation of matter to be included in the record of appeal. There is a companion case that is being tried on December 4<sup>th</sup> that may resolve the need for the appeal in this case but frankly I am not certain of that. In any event, I am requesting an additional thirty day extension and I have conferred with opposing counsel and they do not object to the requested extension. By copy of this letter, I am also informing opposing counsel my communication with the court.

A check for the \$25.00 filing fee is enclosed. I am enclosing an additional copy of this letter which I would appreciate your clocking and returning to me via our office courier. Thank you for your consideration in this matter.

Very truly yours,

  
William L. Smith II
