have had my rights extremeley violated in this
matter. A scratched off number to something was
submitted after interloctory order exactly 14
minutes after. It was and should not have
been admitted as evidence. It is not authenticated
and still to this day. Thank you so much for your
help in reviewing the transcript. God bless you
and I will trust in God as well. I am mailing you
and the department a copy U.S. mail. Thank you
