SUPPLEMENTAL TRANSCRIPT AND AUDIO OBJECTION

Case No. 2025-001299
South Carolina Court of Appeals

SC Court of Appeals

Attia Elbadawy and Lynne Chatlos, Appellants
v.
Dorchester County and D.R. Horton, Respondents

This Supplemental Transcript and Audio Objection is submitted for Case No. 2025-001299.

1. The audio recording relied upon by Ms. Holmes is disputed.
Appellants believe the audio provided may not be the complete or original version of the June 18, 2025 hearing.
2. The audio does not match the live proceeding.
Multiple statements heard clearly in open court are missing from both the audio and the transcript.
3. Internal review does not resolve these concerns.
Appellants cannot accept the transcript as accurate merely because it matches an audio source whose integrity is in doubt.
4. Appellants strongly object.
Appellants firmly believe the audio and transcript have been altered, edited, or are otherwise incomplete.
5. The transcript should not be relied upon in this appeal.
Appellants object to the transcript being used in any capacity within Case No. 2025-001299.
