Scott R. Manna, Appellant,

v.

Jack Sinclair, Respondent.

Appellate Case No. 2025-001313

---

## ORDER

---

On October 31, 2025, Appellant filed what appears to be an affidavit with the following requests for relief from this court to: (1) accept the October 31, 2025 filing as part of the record on appeal, (2) "recognize the urgent, ongoing harm caused by [Respondent's] legal malpractice," (3) expedite consideration of the appeal, and (4) allow supplementation of the record "as new evidence of emotional abuse and abandonment becomes available." Respondent filed a return, objecting to the requested relief. After careful consideration we deny Appellant's October 31, 2025 filing in its entirety. *See Maner v. Maner*, 278 S.C. 377, 380, 296 S.E.2d 533, 535 (1982) (explaining that motions to expedite were premature in cases where the briefs remained outstanding); Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209 and shall comply with the requirements of Rule 267. The Record shall not, however, include matter which was not presented to the lower court or tribunal.").
