Sealevel Systems, Inc.Appellant,

APPELLANT’S MOTION FOR ADDITIONAL EXTENSION

By Order of this Court filed October 16, 2025, Appellant Sealevel Systems, Inc.’s initial brief and designation of matter for inclusion in the record on appeal is due to be filed with this Court on December 8, 2025.

Appellant hereby respectfully requests an extension of forty-five (45) days in which to file its initial brief and designation of matter, until January 22, 2026, pursuant to Rule 263(b), SCACR. This motion is made for good cause and not for the purpose of delay; Appellant’s good cause includes the illness of the undersigned attorney’s father,

who has just been diagnosed with a rare cancer, which seems, frankly, like an exceptionally low blow by the universe. Respondents' attorneys have very kindly consented to the requested extension of time.

Appellant therefore respectfully requests this Court to grant it until January 22, 2026 to file its initial brief and designation of matter.

Respectfully submitted,
