

Case No 2024-002178

11/24/25

I have not had not one day in the law library since I have been writing the court on how Lt Lucas & admin & other staff are refusing to let me go to the law library. Once again, this is against policy & the law of the land. This is unfair & when is something gonna be done. When is somebody gonna step up & do there job & make these people do there job. When is this cruel & harsh treatment gonna stop. Got these office lieing on me now, trying there best to stop my legal movement & medical & detal cause I'm exposing what they got going on.
