Good Morning...

Shelby has been assigned to my case and has been extremely helpful. Shelby had told me that after the holidays, Today was my final day for the Courts to receive my fee.

I am reaching out to see if you have received my funds I mailed last week for my Appeal? It was \$300 so the appeal would not be dismissed.

I had been attempting to pay online, but never found the portal.

Also, where we are representing ourselves Pro Se. Are there any possibly ways we could pay everything online?

Thank You,
Chris Pettross
