Affidavit of Judicial Complaint for Time Extension

Date: December 4, 2025

Appeal No: 2025-000851

Attention: Jenny Abbott Kitchings, Clerk of Court or Assignee

For the Record: Judicial Presentment: I am Eric Holland Robert from the Wright family, sui juris, In Pro Per, am a born alive American South Carolinian, a common man upon the several American union states and I reserve my natural unalienable human common law rights and liberty secured by the Bill of Rights to the Constitution for the United States of America Republic and secured by the Universal Declaration of Human Rights. I am not a Pro Se litigant to represent any legal entity that I have not contracted to nor am I a person, individual or any legal entity as defined under Title 28 USC 3002 section 10. I am not a United States Business or a United States Citizen as defined under Title 15 USC 4724 (e) (1) (A) (B) (C), (2).

For the Record: Judicial Complaint for Time Extension: Judicial Complaint for Time Extension: In the interest of Justice to the 5th Amendment Substantive Due Process is not violated: I received an email from Legal Eagle November 5, 2025, a copy of the transcript that I need to do a brief before December 5, 2025. I was in contact with Jacqueline my caseworker and she was telling me to make sure I send an email to ctappfilings@sccourts.org to give notice about the complaint of the transcript not being accurate. I have left several emails and made several calls to figure out what to do to stay in honor in the 30 day time given to turn in the brief. I was told that because I still have issues with the transcript after talking to Legal Eagle to continue to send emails and keep an update on any progress to correct the transcript. I have made calls for my case worker who is not always available, forcing me to be out of time to do my brief. I was under the impression that I was going to get a fresh thirty days because of the transcript errors. I am still not satisfied with the transcript that was prepared and I sent an email on the 20th of November forwarding the response from Legal Eagle showing that the court made errors in their recording. I have been trying to be in honor with the time and give detail by email to have a record as proof for my complaint as I was told over the phone. I cannot do a brief by the transcript that was provided and will need a fresh 30 days to do a brief without a transcript because Legal Eagle has done all that is available for me to get a better transcript that isn't any better. I cannot use the transcript available that I paid for but within a new fresh 30 days this will give me the opportunity to write a brief.
