Dear Clerk,

I represent Najm Ahmad Thomas in the case of Najm Ahmad Thomas, v. State, 2023-000643. The Court has requested six additional copies of the Appendix and Briefs. I show the due date for the filing of those records to be 121325. Due to the size of the records requested, the printing and binding will have to be completed by a professional printer, and given the upcoming holidays, the printer will require sufficient time to schedule and complete the job. I am therefore in need of additional time in which to file the additional copies of the Appendix and Brief as requested by the Court in this case. I am hereby requesting an extension of 30 days from the present deadline in which to file and serve the Reply of the Petitioner. I certify that this request arises out of necessity and is not intended to cause unnecessary delay. I further certify that by copy of this email I have served the Respondent's counsel at their AIS email addresses on 120825 as indicated below. If I need to do anything further to perfect this request please let me know.
