Ms. Kitchings, we are in receipt of the letter sent by your office on December 10, 2025, inquiring about the status of the transcript in the above-referenced appeal. Please allow this email to confirm that Appellant is already in possession of a copy of the transcript of the hearing below. Because we already had a copy prior to filing the Notice of Appeal, we did not subsequently order the transcript or copy the Court or Court Administration on such correspondence.

Please let me know if this email is sufficient to respond to your letter earlier today or if a letter attached as a PDF is preferable. I'm happy to prepare and file a letter in response to your inquiry if that would be preferred.

In light of the foregoing, it is our understanding that Appellant's Initial Brief and Designation of Matter are due, barring any extensions of time, thirty days after the Notice of Appeal, which was filed on November 26, 2025. Please let us know if our understanding of that deadline is incorrect.

By carbon copy of this email, I have copied all parties' counsel and Court Administration on this communication.

Respectfully,

Miles Coleman
Counsel for Appellant
